

## Cosano – the sturdy bedside cabinet

The **compact construction** and the homelike design of the Cosano make it a particularly reliable and flexible piece of furniture for every care room. In particular, it offers a great deal of space on the **generously sized bedside table** and a **fold-away table** at the side. The drawer, the open compartment and the cupboard can be conveniently used from both sides.

Extra features significantly enhance the **comfort** of the Cosano even more. Instead of the cupboard, it is possible to fit a fridge, while the optional breakable

castors boost the stability and steadiness of the bedside cabinet.

## Cosano brevo – the sturdy compact bedside cabinet

Today, low-height beds are an intelligent form of **fall prevention**. The Cosano brevo is the right bedside table to go with them. With its height of only 58 cm, it is always ideal for residents to reach from a **low-height bed**.

The small bedside cabinet, however, nevertheless leaves nothing to be desired where **comfort** is concerned: Its spacious cupboard unit and the drawer have room for all of those important personal belongings, and at the same time they are easy to clean. The

**clear lines** of the Cosano brevo blend harmoniously with all kinds of furnishing styles. The bedside cabinet is therefore ideal for use in any surroundings.
