SIMPLIFIES everyday tasks.

## Cherusker—SIMPLIFIES everyday tasks.

The Cherusker bedside cabinet is a pleasing blend of wood and metal for a contemporary look. The height-adjustable and tiltable table simplifies everyday tasks for the carer as well as for the patient, who can use the handy shelf as a book rest, for example.

The bedside cabinet features a 2-door cabinet with one shelf, a drawer that can be accessed from either side, and an open shelf. The tubular steel chassis stands on four double castors.
