

# Etac Smart shower stools

Etac Smart are comfortable and safe shower stools that suits most users.

## Comfortable and stable seating

The legs are height adjustable and have soft ferrules which prevent slippage on a wet bathroom floor. The Smart shower stools can withstand weights up to 150 kg.

## Increased mobility

Smart Swivel allows the user to rotate on the shower stool with little effort and with minimal strain on the body. It is convenient to clean the swivel plate since it can easily be disassembled.

## Accessory

## Soft Cushion

Makes the seat comfortable, warm and non-slippery. Snaps on to the seat.

Material: Polypropylene

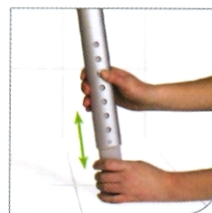

Etac Smart

## Easy to fit

Practical lock function makes it easy to both fit and remove the legs.

## Easy and safe

Height adjustment has built-in safety. The push button locks against the hole when weight is put on the shower stool.

## Smart in the bathtub

Etac Smart can also be used in the bathtub where it provides stable and comfortable seating.

## Comfortable and safe seats

The concave seats are comfortable to sit on. The flexibility in the leg fixture entails that the stools can handle any weight displacement which can occur when you move your upper body.
