Dimensions

Overall Length (mm)	325
Aperture Length (mm)	100
Aperture Width (mm)	50
Weight Overall (grams)	250
Fluid Capacity (ml)	1000

- A polypropylene, opaque urinal designed for female use (close fitting) - standing, sitting or squatting.
- Wide, angled contoured opening with a mouth with a small lip to reduce splashing and spillage.
- Graduations on side to 1000 mls.
- Carry handle helps hold the bottle securely in place when in use
- We recommend washing and disinfecting after each use with soap and water and then a disinfectant to kill germs.
