Model—Hermann
The **EXTENDABLE** bedside
cabinet.

Hermann—The **EXTENDABLE** bedside cabinet.

The Herman bedside cabinet in a beech finish is particularly good value for money. The table is equipped with slide runners which makes it very easy to fold out.

A drawer that can be accessed from either side, a cabinet with one shelf and an open shelf provide ample storage space.

The body and front panels are in plastic-coated beech finish. The drawers and doors are fitted with durable plastic handles.
