### - Warranty

A two-year warranty from date of delivery applies to defects attributable to poor materials or workmanship. All moveable parts - batteries, cables, mains units, rechargeable batteries etc. - are excluded. Defects which come under warranty will be made good for the customer at no charge on production of the receipt. No further claims can be entertained. The costs of transport in both directions will be borne by the customer should the equipment be located anywhere other than the customer's premises. In the event of transport damage, claims under warranty can be honoured only if the complete original packaging was used for any transport and the merchandise secured and attached in that packaging just as it was when originally packed. All the packaging should therefore be retained.

A claim under warranty will not be honoured if the equipment is opened by persons not expressly authorised by seca to do so.

We would ask our customers abroad to contact their local sales agent in the event of a warranty matter.

## Before you start...

## Utilisation

### Technical data

138 cm	230 cm	1 mm	± 5 mm	a = 217 mm	1,7 kg
54.3 inch	90 inch	1/16 inch		b = 120 mm	
				c = 1500 mm	

• Declaration of conformity

The equipment for measuring length **seca 216** meets the applicable requirements of Directive 93/42/EEC on medical products.
