

## Etac Tripp Tilt Mobile Shower Commode

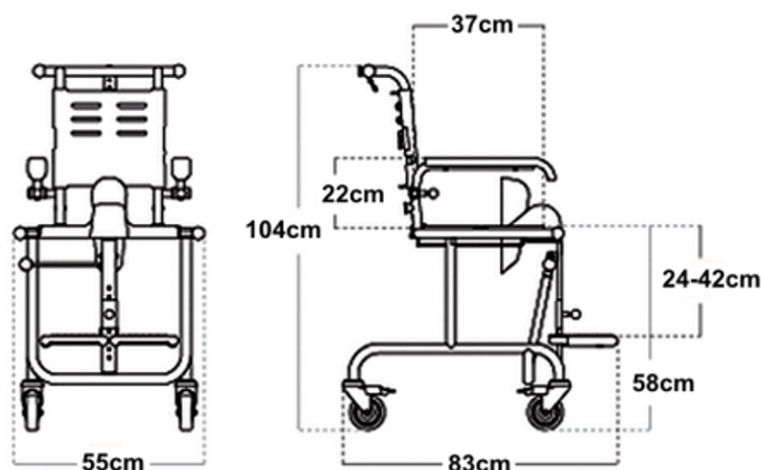

A perfect size for children, teenagers and slender adults.

### Features

- A shower commode chair with the gas assisted tilt mechanism (lever on the left side).
- Tilting from the side enhances an ergonomically correct work position and enables eye contact during the tilting process.
- Both seat and back support can easily be removed for easy cleaning or fitting other seats and backs.

### Construction:

- Frame is powder coated steel tubing
- Seat and Backrest are ABS Plastic
- Arm and Foot Supports are Polyurethane
- Arm Supports Tubing and Foot Supports Bracket are Stainless Steel
- Castors: 100mm ball-bearing, 2 x swivel, 2 x lockable, galvanised steel/rubber
- Care: Regular cleaning, checking castors and the tilt mechanism is recommended
